

EASY COMMUNICATION

PC 2 CHAT

PC 2 CHAT

Just plug it into your computer and start chatting – the affordable PC 2 CHAT headset is all-round family friendly. That's because the single-sided wearing style keeps you in touch with your home surroundings. The PC 2 CHAT not only delivers excellent Sennheiser sound, it also features a high-quality noise canceling microphone and lightweight design for hours of clear conversations.

Benefits and Features:

- Value for money - excellent sound clarity and durability at an affordable price
- Noise canceling clarity – thanks to the noise canceling microphone, your voice is easily understood without you having to shout
- Keep one ear free – ideal for families, the single-sided design keeps you in touch with your surroundings while you talk over the net
- Light and comfortable – with the lightweight headband, it's easy to forget you are even wearing a headset
- Easy to use – plug-and-play simplicity means it's easy to connect to your laptop or computer
- Peace of mind – thanks to the 2-year international warranty
